

DONATION REQUEST FORM

# Sterling Bay is a vested member of the community, and we believe we have a responsibility to do what we can to help our neighborhoods and the stakeholders that make up Chicago.

If your organization is interested in receiving support from SB Cares, please complete the Donation Request Form and submit it to [hello@sbcare.com](mailto:hello@sbcare.com). While we unfortunately can not honor all requests, we weigh each partnership opportunity fairly based upon the following guidelines:

- > The organization's mission must align with SB Care's vision.
- > The organization must be a registered 501(c)(3) in good standing and submit a completed W-9.
- > The request must be received at least 90 days in advance of the event.
- > Multiple awards within one calendar year will not be granted, however a summary of your annual events can be submitted.
